ABOUT THE CHAMBER

Founded in 1897, the Wilson Chamber of Commerce is a 501c6 registered business association, and Wilson's "Premier Business Network".

We are the only fully-staffed chamber of commerce in Wilson County, North Carolina, and serve the business community of the greater Wilson area, including the City of Wilson, Black Creek, Elm City, Saratoga, Stantonsburg, Lucama, Sims, and portions of Kenly, Bailey, and Sharpsburg.

The Wilson Chamber of Commerce is governed by an independent Board of Directors. We are not a government agency or subsidiary, branch, or division of either the North Carolina or United States chambers of commerce.

ABOUT THE COVER

The City of Wilson celebrates 175 years in 2024. Each of the images on this cover commemorate a milestone achievement in Wilson's rich history.

While primarily serving as your go-to business directory, this year's Sources edition highlights some of the history that has made Wilson a better place to live, work, and do business over the last 175 years.

A MESSAGE FROM THE PRESIDENT

Looking around Wilson, it's easy to be encouraged by the direction of our community. Historically low unemployment, new construction, remodeled storefronts, and more choices for goods and services are all signs that our market is growing. There has never been a better time to be in Wilson, and that is reflected by an active and engaged Chamber.

However, now is not the time to rest on our laurels and be passive, expecting the good times to last forever. The Chamber sees the value in working with community partners to make sure our market remains resilient, able to withstand changes in economic conditions that are inevitable. That's why we've introduced new programs in recent years, like our NextGen Hiring Event and Employers of Distinction program, that are designed to ensure that the Wilson market remains a place where businesses prosper no matter what the future holds.

The members and advertisers that are listed in this latest edition of our Sources membership directory understand this focus, and have chosen to invest in our mission. By supporting them, you participate directly in making sure that Wilson remains a destination for business, and is a tacit invitation to every other business to be part of the only organization that is dedicated to making it happen: the Wilson Chamber of Commerce.

RYAN W. SIMONS
PRESIDENT OF THE WILSON CHAMBER OF COMMERCE

2023 DISTINGUISHED CITIZEN OF THE YEAR

DENISE STINAGLE

During her 26 year tenure with Wilson County Government, including the last eight as the County Manager, Denise Stinagle was an exceptional leader and advocate for our community.

For her model leadership and dedication to making our county a desirable place to live, work and do business, the Chamber honored Denise as it's Distinguished Citizen of the Year. The award was conferred by current Wilson County Manager, Ron Hunt (pictured, right), at the 2023 Chamber Annual Meeting presented by Wilson Medical Center.

2023 SMALL BUSINESS LEADER OF THE YEAR

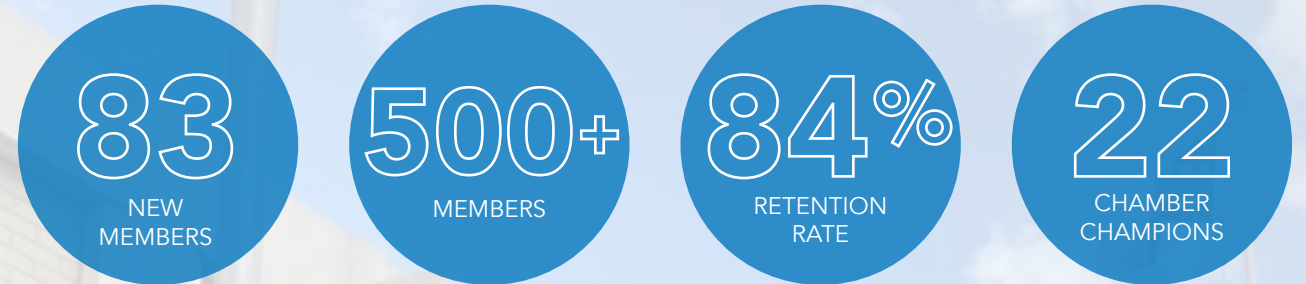

BILL O'BOYLE

Since bringing his small business back home to Wilson in 2020, Bill O'Boyle has been an outstanding leader in the business community, and a staunch advocate for downtown revitalization. In addition to North State Consulting, Bill has invested in a number of historic properties, and opened the new Oak Room event venue at North State.

For the example he's set, Bill O'Boyle was named the Chamber's Small Business Leader of the Year at our Small Business Banquet during Small Business Month.
